Sited at: Bassingbourn Snowsports Centre, Bassingbourn Barracks, Bassingbourn, Royston, Herts

## **JUNIOR CLUB 2004/2005 SEASON**

### **SESSION TIMES:**

**SESSION 1: 2.00PM – 3.00PM**

**SESSION 2: 3.00PM – 4.00PM**

**SESSION 3: 4.00PM – 5.00PM**

**SESSION 4: 5.00PM - 6.00PM**

This season Junior Club is going back to 4 sessions of 1 hour each, starting at 2.00pm to accommodate the higher numbers of Junior Club members. The full season cost will therefore remain at £80.00 for the 2004/5 season.

### **GENERAL INFORMATION FOR MEMBERS**

Junior Club members are asked to arrive at the slope 20 minutes prior to your session to allow time for kitting up – if you are late, you may not be able to ski.

Assessments sessions are held regularly – approximately every 8 weeks. Movement from one group to the next is solely at the discretion of the instructors and the satisfactory completion of the testing requirements.

If you will be unable to attend a session, please inform the Junior Club co-ordinator beforehand. If you miss a number of sessions without prior arrangement you may lose your place in your group.

Please can you all ensure that your arms & legs covered & you have a pair of gloves. Members are requested in the interest of safety to follow closely the codes of behaviour as laid down by the Club & its instructors – with particular regard to the handling & use of equipment. Members are requested not to go onto the slope unless they have been instructed to do so.

For any further info regarding Junior Club, read the notice board or you may find interesting info on the Junior Club page of the website.

### **GENERAL INFORMATION FOR PARENTS OF MEMBERS**

Can you all remember to bring membership cards to each session, as you may be refused entry at the Barracks gates without them. **Please note that due to recently increased Army security, all drivers are now required to bring secondary ID, displaying a photo of the driver wherever possible.** We do ask you to be patient with the Guards on the gates as they do have your safety in mind. Be advised to leave plenty of time to gain entry.

Recent change: We have been informed by the Army that on rare occasions of heightened security all persons of 16 years old or over wishing to enter the Barracks may be asked for

photographic ID – if any adult can not produce this the Army may exercise their right to refuse entry into the Barracks.

If you should need to attend the Club at a time outside normal Junior Club hours or attend a Junior Club session in a vehicle whose registration number is not on the membership card, please contact the Bookings Secretary with sufficient time for the Army to be informed in writing & a vehicle pass to be sent to you.

Please adhere to the Army vehicle speed limits.

Legally under no circumstance may any child be left at the slope without an adult accepting legal responsibility. All children must be collected at the end of Junior Club. Please remember that if a child has an accident & needs a visit to hospital, it is the parent's responsibility to take them.

Parents are kindly requested to help if possible on a rota basis with the running of the refreshments & to kit up the skiers. Tuition sessions will be held to instruct parents on how skis are set up & the kitting up procedure of the Club. The sessions are held on Saturday afternoons on the dates displayed on the notice board. We rely on your kindness to be able to run Junior Club & to maximise the time the children get out on the slope. Junior Club could not continue without your much appreciated assistance. The Duty Rota is displayed on the Junior Club notice board & anyone unable to attend their allocated duty is required to arrange cover themselves.

Parents are required to ensure that non-participating children do not run around at the bottom of the slope for safety reasons.
